Chongqing Technology and Business University Presidential Scholarship Programme for Chinese Study

Chongqing Technology and Business University (CTBU) is situated in Chongqing city – known as the ‘gateway to the west’. The main campus, nestled at the foot of Nanshan Mountain and near the Yangtze River, lies only 7 kilometers from the central shopping and entertainment area of Chongqing. A beautifully landscaped environment —with many trees and gardens, and unique architecture of buildings make the campus a popular attraction for local people and tourists alike. An excellent bus network and light-rail system connects CTBU to the city centre and the surrounding suburbs.

CTBU boasts of strong teaching resources and advanced teaching and research facilities. Small classes guarantee that every student gets concern and help from the teachers. Students are mostly attracted by exposure to Chinese elements in the teaching contents. In addition, activities such as local tour, visiting Chongqing local companies are organized to make the students well-informed of the culture and development of the city. And there are many colorful extracurricular activities to be shared with Chinese students — a basketball match, a hot pot party, an English /Chinese corner, a street dance show, etc. With basketball, volleyball, table tennis, tennis courts and swimming pool on the campus, the students can always find a place for fun of sports.

The International Student Apartments are well equipped with furniture, western-style toilet, air-conditioner, telephone, internet and kitchen appliances. Students can cook by themselves or eat at any of the five canteens on the campus. If they want to eat out, they will have a lot of different style of food to choose in the restaurants in the nearby community. Supermarket, post office, banks and hospital on the campus make an easy life.
